GOD DOESN'T CHANGE

How comforting and refreshing to know, in this fickle world, that God is unchangeable. God never changes for He is always the same without alteration. How precious to know, therefore, that His mercy never changes, His grace never changes, His holiness never changes, His love never changes, His wrath never changes, His faithfulness never changes, etc. God has never changed as some would have us believe, because God did not develop over a period of centuries. The Biblical view of God did not come about through the Greek philosphers adding their mental visions.

God cannot change for the better or worse. He is perfect and changeless . . . "God differs from His creatures in being self-existent, self-sufficient, and eternal. By virtue of these attributes God is God and not some other being. One who can suffer any slightest degree of change is neither self-existent, self-sufficient, nor eternal, and so is not God." All that God is He has always been, and all that He has been and is He will ever be." The glorious attribute of God is brighter as we look at man's mutability or changeableness. We dwell upon an ever changing earth, but we can trust an immutable or unchangeable God.

How is God unchangeable? (1) He is unchangeable in regard of His nature and essence. "Of old thou hast laid the foundations of the earth; and the heavens are the work of thine hands. They shall perish, but thou shalt endure: they shall all wax old . . . but thou art the same" Ps. 102:25-27. (2) God is unchangeable in regard of His counsel and purpose. "My counsel shall stand, and I will do all my pleasure" Isa. 46:10. "Wherein God willing . . . to shew the immutability of his counsel" Heb. 6:17 (3) God is unchangeable in regard of His love and special favors. "The gifts and calling of God are without repentance" Rom. 11:29 "Every good gift, and every perfect gift, is from above, and cometh down from the father of lights, with whom is no variableness, neither shadow of turning." James 1:17.

The only cure for your insecurity is the unchangeable God, who is the Rock of Ages. You can only come to Him through His Son Jesus Christ. The Lord Christ has died to save all who would come to God by Him. He will set your feet upon a rock and establish your goings. Seek Christ by repenting of your sin and believing on Him. Bow to Him as your Master and King.

and where does Henry's money come from?

Henry Howell has proclaimed himself "the people's candidate" for governor. Yet Mr. and Mrs. Virginia are accountable for ONLY 15% of Henry's campaign funds, as shown in his earlier reports. Let's see whose interests Henry really represents.

During the 1969 Democratic Primary Election, Henry attacked his opponent, BILL BATTLE, saying that the endorsement of a $150,000 loan by 150 different men might affect the judgment of a governor. Yet now, Henry has accepted over $144,000 from a millionaire businessman in Richmond. And he has a $115,000 loan, endorsed by only 24 men.

Henry has accepted $105,000 in labor contributions, more than half of which have come from out-of-state union bosses. He expects a total of $300,000 from the same source. It is interesting to note what labor's real interest is in this election, as stated in the Richmond Times Dispatch, October 13, 1973:

> "Big Unionism's fall offensive is in preparation. The campaign objectives this year include capturing control of state governments. As David S. Broder, senior Washington Post staff writer, reported Sept. 2, 'labor's political might will be felt in this November's gubernatorial campaigns in Virginia and New Jersey.' Indeed the union bosses are especially eager to elect governors who will drive for repeal of state right-to-work laws."

Now we learn from the Norfolk Virginian Pilot, October 22, that:

> "On October 12, the self-advertised Populist journeyed to the radical-chic precincts of Washington's Georgetown to bask in the proceeds of a Howell fundraiser sponsored by Senator George McGovern, Senator Walter Mondale of Minnesota (the Presidential candidate of The New York Times), Alice Rivlin (resident welfare advocate of the Brookings Institution), Joseph Rauh of the militant Americans for Democratic Action, Abigail McCarthy, D.C. Delegate Walter Fauntroy, and a host of other notables from the grape-boycott and granny-glasses wing of the National Democratic Party."

The fact of the matter is, Henry isn't "the people's candidate," but rather, the candidate of a few wealthy and special interest groups, both in and out of Virginia. And if Henry felt that $150,000 from 150 men would influence Bill Battle's decisions as governor, we should be alarmed to think what $364,000 from only three sources might do for Henry Howell's decisions.

By contrast, Mills Godwin voluntarily limited the size of contributions he would accept, and according to his October 24 report (filed earlier than required by law), his biggest contribution was $6,500. Godwin doesn't represent any special interest, but rather the interests of all the people of Virginia.

LET'S KEEP VIRGINIA GOVERNMENT IN THE HANDS OF VIRGINIA'S PEOPLE.

This is the Year for Virginia!
